

Christianity's Reign of Terror Over the Ancient World

[June 2, 2018](#) [renegade](#) [21 Comments](#)

Renegade Editor's Note: The title of this article has been changed, along with the intro (in order to remove a dead link). These early Christian terrorists really were far worse than ISIS; one thing the two groups have in common is that they were doing the bidding of jews.

White Nationalists know very little about the history of the religion of their parents. This summary from Vlassis Rassias' book *Demolish Them* published in Greek is just a taste of the flavour of what I plan to translate from Karlheinz Deschner's *Kriminalgeschichte des Christentums*. Pay special attention to how the Christians used the word 'gentiles' to refer to advocates of Greco-Roman civilisation (a usage Rassias retains in his descriptions):

314

Immediately after its full legalisation, the Christian Church attacks the Gentiles: The Council of Ancyra denounces the worship of Goddess Artemis.

324

Emperor Constantine declares Christianity as the only official religion of the Roman Empire. At Dydimia, Asia Minor, he sacks the Oracle of God Apollo and tortures its Pagan priests to death. He also evicts the Gentiles from Mt. Athos and destroys all local Hellenic Temples.

326

Emperor Constantine, following the instructions of his mother Helen, destroys the Temple of God Asclepius in Aigeai of Cilicia and many Temples of Goddess Aphrodite in Jerusalem, Aphaca, Mambre, Phoenice, Baalbek, etc.

330

Constantine steals the treasures and statues of the Pagan Temples in Greece to decorate Nova Roma (Constantinople), the new capital of his Empire.

335

Constantine sacks many Pagan Temples of Asia Minor and Palestine and orders the execution by crucifixion of 'all magicians and soothsayers'. Martyrdom of the neoplatonist philosopher Sopatros.

341

Emperor Constas, son of Constantinus, persecutes 'all the soothsayers and the Hellenists'. Many Gentile Hellenes are either imprisoned or executed.

346

New large-scale persecutions against the Gentiles in Constantinople. Banishment of the famous orator Libanius accused as... 'magician'.

353

An edict of Constantius orders the death penalty for all kind of worship through sacrifices and 'idols'.

354

A new edict of Constantius orders the closing of all Pagan Temples. Some of them are profaned and turned into brothels or gambling rooms. Executions of Pagan priests. First burning of libraries in various cities of the Empire. The first lime factories are built next to closed Pagan Temples. A large part of Sacred Gentile architecture is turned into lime.

356

A new edict of Constantius orders the destruction of the Pagan Temples and the execution of all 'idolaters'.

357

Constantius outlaws all methods of Divination (Astrology not excluded).

359

In Skythopolis, Syria, Christians organise the first death camps for the torture and execution of arrested Gentiles from all around the Empire.

361 to 363

Religious tolerance and restoration of Pagan cults declared in Constantinople (11th December 361) by the Pagan Emperor Julian.

363

Assassination of Emperor Julian (26th June).

364

Emperor Flavius Jovianus orders the burning of the Library of Antioch. An Imperial edict (11th September) orders the death penalty for all Gentiles that worship their ancestral Gods or practice Divination ('*sileat omnibus perpetuo divinandi uriositas*'). Three different edicts (4th February, 9th September, 23rd December) order the confiscation of all properties of Pagan Temples and the death penalty for participation in Pagan rituals, even private ones.

365

An Imperial edict (17th November) forbids Gentile officers of the army to command christian soldiers.

370

Emperor Valens orders a tremendous persecution of Gentiles throughout the Eastern Empire. In Antioch, among many other Pagans, the ex-governor Fidustius and the priests Hilarius and Patricius are executed. Tons

of books are burnt in the squares of cities of the Eastern Empire. All friends of Julian are persecuted (Orebasius, Sallustius, Pegasius etc.), the philosopher Simonides is burned alive and the philosopher Maximus is decapitated.

372

Emperor Valens orders the governor of Asia Minor to exterminate the Hellenes and all documents of their wisdom.

373

New prohibition of all methods of Divination. The Newspeak term 'Pagan' (*pagani*, villagers) is introduced by the christians to lessen the Gentiles.

375

The Temple of God Asclepius in Epidaurus, Greece, is closed down.

380

On 27th February, Christianity becomes the exclusive religion of the Roman Empire by an edict of Emperor Flavius Theodosius, requiring that

all the various nations, which are subject to our clemency and moderation should continue in the profession of that religion, which was delivered to the Romans by the divine Apostle Peter'.

Non-christians are called 'loathsome, heretics, stupid and blind'. In another edict Theodosius calls 'insane' those that do not believe in the christian god and outlaws all disagreements with the Church dogmas. Ambrosius, bishop of Milan, starts destroying all the Pagan Temples of his area. Christian priests lead the mob against the Temple of Goddess Demeter in Eleusis and try to lynch the hierophants Nestorius and Priskus. The 95 year-old hierophant Nestorius, ends the Eleusinian Mysteries and announces the predominance of mental darkness over the human race.

381

On 2nd May, Theodosius deprives all rights of christians that return to the Pagan Religion. Throughout the Eastern Empire, Pagan Temples and Libraries are looted or burned down. On 21st December, Theodosius outlaws even simple visits to the Temples of the Hellenes. In Constantinople, the Temple of Goddess Aphrodite is turned into a brothel and the Temples of Sun and Artemis into stables.

382

'Hallelu-jah' (Glory to Yahweh) is imposed in the christian mass.

384

Emperor Theodosius orders the Praetorian Prefect, Maternus Cynegius, a dedicated christian, to cooperate with the local bishops and destroy the Temples of the Gentiles in Northern Greece and Asia Minor.

385 to 388

Maternus Cynegius, encouraged by his fanatic wife, and bishop, 'Saint' Marcellus with his gangs scour the countryside, sack and destroy hundreds of Hellenic Temples, shrines and altars. Amongst others they destroy the Temple of Edessa, the Cabeireion of Imbros, the Temple of Zeus in Apamea, the Temple of Apollo in Dydimi and all the Temples of Palmyra. Thousands of innocent Gentiles from all sides of the Empire suffer martyrdom in the notorious death camps of Skythopolis.

386

Emperor Theodosius outlaws (16th June) the care of sacked Pagan Temples.

388

Public talks on religious subjects are also outlawed by Theodosius. The old orator Libanius sends his famous Epistle *Pro Templis* to Theodosius, with a hope that the few remaining Hellenic Temples will be respected and spared.

389 to 390

All non-christian calendars are outlawed. Hordes of fanatic hermits from the desert flood into Middle Eastern

and Egyptian cities, destroying statues, altars, libraries and Pagan temples, whilst Gentiles are lynched. Theophilus, Patriarch of Alexandria, starts heavy persecutions against the Gentiles, turns the Temple of Dionysos into a church, burns down the Mithraeum of the city, destroys the Temple of Zeus and burlesques the Pagan priests before they are killed by stoning. The christian mob profanes the cult images.

391

On 24th February, a new edict of Theodosius prohibits not only visits to Pagan Temples but also looking at vandalised statues. New heavy persecutions all around the Empire. In Alexandria, Egypt, the Gentiles, led by the philosopher Olympius, revolt and after some street fights, finally lock themselves inside the fortified Temple of God Serapis (The Serapeion). After a violent siege, the christians occupy the building, demolish it, burn its famous Library and profane the cult images.

392

On 8th November, the Emperor Theodosius outlaws all non-christian rituals and names them 'superstitions of the Gentiles' (*gentilicia superstitio*). New full scale persecutions against the Gentiles. The Mysteries of Samothrace are ended and priests slaughtered. In Cyprus the local bishop, 'Saints' Epiphanius and Tychon destroy almost all the Temples of the island and exterminate thousands of Gentiles. The local Mysteries of Goddess Aphrodite are ended. Theodosius' edict declares: 'the ones that won't obey pater Epiphanius have no right to keep living on the island'. The Gentiles revolt against the Emperor and the Church in Petra, Aeropolis, Rafia, Gaza, Baalbek and other cities of the Middle East.

393

The Pythian, Aktia and Olympic Games are outlawed as part of the Hellenic 'idolatry'. Christians sack the Temples of Olympia.

395

Two new edicts (22nd July and 7th August) lead to new persecutions against the Gentiles. Rufinus, the eunuch Prime Minister of Emperor Flavius Arcadius directs the hordes of the baptised Goths (led by Alaric) to the country of the Hellenes. Encouraged by christian monks, the barbarians sack and burn many cities (Dion, Delphi, Megara, Corinth, Pheneos, Argos, Nemea, Lycosoura, Sparta, Messene, Phigaleia, Olympia, etc.), slaughter or enslave innumerable Hellenes and burn the Temples. Among others, they burn down the Eleusinian Sanctuary and burn alive all of its priests (including the hierophant of Mithras Hilarius).

396

On 7th December, a new edict by Emperor Arcadius orders that Paganism be treated as high treason. Imprisonment of the few remaining Pagan priests and hierophants.

397

'Demolish them!' Emperor Flavius Arcadius orders all the still erect Pagan Temples demolished.

398

The Fourth Church Council of Carthage prohibits to all, including its bishops, the study of Gentile books. Porphyrius, bishop of Gaza, demolishes almost all the Pagan Temples of his city (except nine of them that remain active).

399

With a new edict (13th July) Emperor Flavius Arcadius orders all remaining Temples, mainly in the countryside, to be immediately demolished: *Si qua in agris templa sunt, sine turba ac tumultu diruantur. His enim deiectis atque sublatis omnis superstitioni materia consumetur.*

400

Bishop Nicetas destroys the Oracle of God Dionysus in Vesai and baptises all the Gentiles of this area.

401

The christian mob of Carthage lynches Gentiles and destroys Temples and 'idols'. In Gaza too, the local bishop, also a 'Saint', Porphyrius sends his followers to lynch Gentiles and demolish the remaining nine still active Temples of the city. The 15th Council of Chalkedon orders all christians that still keep good relations with their gentile relatives to be excommunicated (even after their death).

405

John Chrysostom sends his hordes of gray-clad monks armed with clubs and iron bars to destroy the 'idols' in all the cities of Palestine.

406

John Chrysostom collects funds from rich christian women to financially support the demolition of the Hellenic Temples. In Ephesus, he orders the destruction of the famous Temple of Goddess Artemis. In Salamis, Cyprus, 'Saints' Epiphanius and Eutychius continue persecutions of the Gentiles and the total destruction of their Temples and sanctuaries.

407

A new edict outlaws once more all non-christian acts of worship.

408

The Emperor of the Western Empire Honorius and the Emperor of the Eastern Empire Arcadius, order together that all sculptures of the Pagan Temples be either destroyed or confiscated. Private ownership of Pagan sculpture is also outlawed. The local bishops lead new heavy persecutions against Gentiles and new book burning. Judges showing pity for Gentiles are also persecuted.

409

Once again, an edict orders Astrology and all methods of Divination to be punished by death.

415

In Alexandria, Egypt, the mob urged by the bishop Cyrillus, attacks a few days before the judaeo-christian Pascha (Pesach-Easter) and hacks to pieces the famous and beautiful philosopher Hypatia. Pieces of her body are paraded by the christian mob through the streets of Alexandria, and are finally burned together with her books in a place called Cynaron. On 30th August, new persecutions start against all the Pagan priests of North Africa, who end their lives either crucified or burned alive.

416

The inquisitor Hypatius, alias 'The Sword of God', exterminates the last Gentiles of Bithynia. In Constantinople (7th December), all non-christian army officers, public employees and judges are dismissed.

423

Emperor Theodosius II, declares (8th June) that the Religion of the Gentiles is nothing more than 'demon worship' and orders all those who persist in practicing it to be punished by imprisonment and tortured.

429

The Temple of Goddess Athena (Parthenon) on the Acropolis of Athens is sacked. Athenian Pagans are persecuted.

435

On 14th November, a new edict by Theodosius II orders the death penalty for all 'heretics' and 'pagans' of the Empire. Only Judaism is considered a legal non-christian Religion.

438

Theodosius II issues an new edict (31st January) against the Gentiles, incriminating their 'idolatry' as the reason for a recent plague!

440 to 450

The christians demolish all the monuments, altars and Temples of Athens, Olympia, and other Greek cities.

448

Theodosius II orders all non-christian books burned.

450

All the Temples of Aphrodisias (City of Goddess Aphrodite) are demolished and its Libraries burned down. The city is renamed Stauroupolis (City of the Cross).

451

A new edict by Theodosius II (4th November) emphasises that 'idolatry' is to be punished by death.

457 to 491

Sporadic persecutions against Gentiles of the Eastern Empire. Among others, the physician Jacobus and the philosopher Gessius are executed. Severianus, Herestios, Zosimus, Isidorus and others are tortured and imprisoned. The proselytiser Conon and his followers exterminate the last Gentiles of the island of Imbros, in the northeast Aegean. The last worshippers of Lavernian Zeus are exterminated in Cyprus.

482 to 488

The majority of the Gentiles of Asia Minor are exterminated, after a desperate revolt against the Emperor and the Church.

486

More 'underground' Pagan priests are discovered, arrested, burlesqued, tortured and executed in Alexandria, Egypt.

515

Baptism becomes obligatory, even for those that already say they are christian. The Emperor of Constantinople, Anastasius orders the massacre of the Gentiles in the Arabian city Zoara and the demolition of the Temple of local God Theandrites.

528

Emperor Jutprada (Justinianus) outlaws the 'alternative' Olympian Games of Antioch. He also orders the execution (by fire, crucifixion, tearing to pieces by wild beasts, or cutting by iron nails) of all who practice 'sorcery, divination, magic or idolatry' and prohibits all teachings by the Gentiles ('..the ones suffering from the blasphemous insanity of the Hellenes').

529

Emperor Justinianus outlaws the Athenian Philosophical Academy, which has its property confiscated.

532

The inquisitor Ioannis Asiacus, a fanatical monk, leads a crusade against the Gentiles of Asia Minor.

542

Emperor Justinianus allows the inquisitor Ioannis Asiacus to convert the Gentiles of Phrygia, Caria and Lydia in Asia Minor. Within 35 years of this crusade, 99 churches and 12 monasteries are built on the sites of demolished Pagan Temples.

546

Hundreds of Gentiles are put to death in Constantinople by the inquisitor Ioannis Asiacus.

556

Justinianus orders the notorious inquisitor Amantius to go to Antioch, to find, arrest, torture and exterminate the last Gentiles of the city and burn all the private libraries down.

562

Mass arrests, burlesquing, tortures, imprisonments and executions of Gentile Hellenes in Athens, Antioch, Palmyra and Constantinople.

578 to 582

Christians torture and crucify Gentile Hellenes all around the Eastern Empire, and exterminate the last Gentiles of Heliopolis (Baalbek).

580

Christian inquisitors attack a secret Temple of Zeus in Antioch. The priest commits suicide, but the other Gentiles are arrested. All the prisoners, the Vice Governor Anatolius included, are tortured and sent to

Constantinople to face trial. Sentenced to death they are thrown to the lions. The wild animals are unwilling to tear them to pieces and they end up crucified. Their corpses are dragged through the streets by the christian mob and afterwards thrown unburied in the city dump.

583
New persecutions against the Gentile Hellenes by the Emperor Mauricius.

590
Throughout the Eastern Empire, christian accusers 'discover' Pagan conspiracies. A new wave of torture and executions erupts.

692
The 'Penthekte' Council of Constantinople prohibits the remains of Calends, Brumalia, Anthesteria, and other Pagan / Dionysian festivals.

804
The Gentile Hellenes of Laconia, Greece, resist successfully the attempt of Tarasius, Patriarch of Constantinople, to convert them to Christianity.

950 to 988
Violent conversion of the last Gentile Hellenes of Laconia by the Armenian 'Saint' Nikon.

This is just the opposite of what was taught to me in school—that the Christians were persecuted—and the same was also taught by the Christian organizations (churches, ministers, etc.), as well as all the media lies put out about the poor persecuted Christians of the Roman days.

It is good to learn the truth. Thank you, Renegade for publishing this.

Christianity was used for the domestication of free men. The ancient tribes of Europe were effectively broken by this religion like you break a wild horse to make it comply. Abrahamic religions are political tools of enslavement.

I was told in school, Charlemain{Karl der Grosse} was a great and brilliant german Emperor{Kaiser} Reading later on, he executed 5000 Saxons who refused to be baptized into the jewish cult, I changed my mind about many things in History. All lies written by the victors. Ask the victims, you will be closer to the truth

May I recommend the heartbreaking eye-witness reports by Savitri Devi:

“Gold in the Furnace”, Chapter VII: PLUNDER, LIES, AND SHALLOWNESS — p. 99, starts with:

“The destruction of Germany’s splendid forests is something even more tragic than the dismantling of her factories. However precious might be highly perfected machines, living trees are still more so. And they—the outcome of Nature’s patient fecundity, not of man’s skill—cannot be replaced in a couple of years even with the help of any amount of money. ... ”

The recurring anti-natural pattern is clearly recognizable. Like a golden (rather blood-red) thread hate of nature and adoration of artificiality run through history of mankind and the representatives, the protagonists of this upside-down, inside-out belief system are always the same throughout. Their more or less conscious desire is to surpass and supplant "God" in every respect, while on the surface they are claiming to worship one God. They are the philosophical, mythological principle of the fallen angel incarnate, personified antithesis. Will they ever discard their anti-natural belief system and become conscious human beings?

Given a cancellation of Corpus Christi celebrations in Bergkamen, Germany, it looks like the joke's on the spiritual descendants of the Christian persecutors (and their campaigns of persecution may have been led by entities, that the people of Gnosticism called the Demiurge and the Archons):

"We would like to inform all those militant, neo-puritan Christians as well as those Islamists that are demanding for a return to a barbaric age, that their advance is just a temporary march of the dead. Every attempt to attack human freedoms and the enjoyment of a natural life, and every form of applied monotheism will find us against it. The world of the life-haters is collapsing and we will not be following them into their abyss. The future belongs to the ideal Man that Hellenic thought envisioned, a Man that lives according to Reason, Nature and Virtue." – <http://ecer-org.eu/youtube-decided-hellenism-is-unsuitable-for-minors/>

I made this conclusion last year. I used to be apart of one of the endtimes, antichrist, defeatist truther camp thinking I was the most woke. Then, I realized I wasn't quite at the bottom of the rabbithole, that the "book of revelation" is the ultimate 'revelation of the method' Jewish self fulfilling prophecy NWO hoax out there. This list sounds like the Roman Bolshevik Revolution! The crusades were the first "war on terror" and if u think of it I came to a conclusion that it may be Christianity that is the "taint all whites with the same brush" in the

eyes of the colonized nonwhites. The Jews and libtards always moan about how whites destroyed Native American Culture without mentioning that something I've realized in the past year that whites were persuaded to colonize under order for the (((pope))) or the (((powers behind the Bank of England))) under the rallying cry of spreading the Semitic Christianity(medieval communism) which is really just the first form of international globalism. Also people forget that the Northern Europeans and others were treated just like the Native American Indians(I havnt looked into the whole NA Indians were actually the first and aware of the Vikings that were in NA as well) by Christian converted Europeans. The colonized nonwhites need to realize it's not whites that was the source for colonization, it was influence from the Vatican and Martin Luther. I think I read that the church would go after redheads because they were seen as witches. Sounds like a very jewish tactic to me. Literally 80 percent of the "truth movement" are still bent on the Christian endtimes hoax, even the Christians that are aware of Zionism and Jews, reconize Zionist John Magee tricks but they are so convinced that Christ will save them at Armageddon with those 3 frog like sprits(Pepe? Kek). Lastly, most of the Christian truth movement thinks that all in the above list was a good thing because all Roman, Greek, and even non white gods were fallen angels who will comeback to usher in the endtimes and antichrist by evidence of the 3 frog like sprits. The Abrahamic religion pill is the last and hardest pill for me and others who are searching for truth to swallow. Yeah aliens exist alright but they are not from the sky, but they are (((Abrahamic))) ZOG with their weaponized alien non white illegal aliens which have subverted our banks, institutions, every political movement, every comic book character acts like a Jew as well and take the names of gods like "Thor" they never feel at home in their country and always feel it's their purpose to install their version of "world peace", I wonder if Stalin picked Stalin which means Man of Steel from "Superman"? Most comic books if not all were written by Jews and all started in the 30s for anti Nazi propaganda. There was even an alternate history comic book series where Superman's pod crashes in the Soviet Union instead of Kansas and helps the Soviets in the Cold War against the US making America desperate. When I read years ago about Constantine moving the Roman capital to Constantinople, I always felt it was stupid because all it did was move the Roman capital closer to the middleeast and lead to Rome and the western Roman Empire to be sacked. Ultimately, leading Istanbul to manifest, conquered and being the only first enclave of Arab Muslims rule on the continent of Europe. Constantine breaking the Roman Empire in two seems like it was on purpose after all breaking Christianity in two as well with what would be known as western Catholicism vs Christian orthodoxy, the Hegelian dielectric again. Like it was some (((plot))), was Constantines mother a Jew? I've read that kike Francis is resigning so they can have the first black pope.

Adolf Hitler:

"There are towns in Germany from which all joy is lacking. I'm told that it's the same thing in certain Calvinistic regions of Switzerland. In Trier and Freiburg, women have addressed me in so ignoble a fashion that I cannot make up my mind to repeat their words. It's on such occasions that I become aware of the depth of human baseness. Clearly, one must not forget that these areas are still feeling the weight of several centuries of religious oppression.

Near Würzburg, there are villages where literally all the women were burned. We know of judges of the Court of the Inquisition who gloried in having had twenty to thirty thousand "witches" burned. Long experience of such horrors cannot but leave indelible traces upon a population.

In Madrid, the sickening odour of the heretic's pyre remained for more than two centuries mingled with the air one breathed. If a revolution breaks out again in Spain, one must see in it

the natural reaction to an interminable series of atrocities. One cannot succeed in conceiving how much cruelty, ignominy and falsehood the intrusion of Christianity has spelt for this world of ours.

If the misdeeds of Christianity were less serious in Italy, that's because the people of Rome, having seen them at work, always knew exactly the worth of the Popes before whom Christendom prostrated itself. For centuries, no Pope died except by the dagger, poison or the pox."

"The sensational event of the ancient world was the mobilisation of the underworld against the established order. This enterprise of Christianity had no more to do with religion than Marxist socialism has to do with the solution of the social problem. The notions represented by Jewish Christianity were strictly unthinkable to Roman brains. The ancient world had a liking for clarity. Scientific research was encouraged there. The gods, for the Romans, were familiar images. It is somewhat difficult to know whether they had any exact idea of the Beyond. For them, eternal life was personified in living beings, and it consisted in a perpetual renewal. Those were conceptions fairly close to those which were current amongst the Japanese and Chinese at the time when the Swastika made its appearance amongst them.

It was necessary for the Jew to appear on the scene and introduce that mad conception of a life that continues into an alleged Beyond! It enables one to regard life as a thing that is negligible here below—since it will flourish later, when it no longer exists. Under cover of a religion, the Jew has introduced intolerance in a sphere in which tolerance formerly prevailed. Amongst the Romans, the cult of the sovereign intelligence was associated with the modesty of a humanity that knew its limits, to the point of consecrating altars to the unknown god. The Jew who fraudulently introduced Christianity into the ancient world, in order to ruin it, re-opened the same breach in modern times, this time taking as his pretext the social question. It's the same sleight-of-hand as before. Just as Saul was changed into St. Paul, Mardochai became Karl Marx."

The hubris on this site makes me think the white race is truly doomed. I mean Aryan pagans never committed atrocities prior to Christianity (genocide of the Bituriges by southern Europeans, the genocide of the Thebans by northern Macedonians, the destruction of Greece under the Galatians, the genocide of the Trojans under the Achaeans, the genocide of the Achaeans under the Dorians).
Your enlightened Vikings sold Slavs and Keltoi to the Arabs.

There were no such things as "vikings" during the time period mentioned in this article. Vikings were a reaction to the semitic religion that conquered and enslaved most of Europe. And they were able to be so successful because of the cucking effect of Christianity upon the White man's soul.

Vikings mean "raiders". Your Nordic princes sold their brethren in slave markets to the Islamic world just like the NSDAP sold Eastern Europe to Stalin for a territory the size of Manhattan.
The false myth that all Aryans lived in Eden before Semites entered Europe is insane.
How do you explain the destruction of Corinth, Thebes, Avaricum, Olynth and Troy. Were Alexander the Great, Caesar, Menelaos and Philip Jewish?
At Scandinavian chieftain funerals female slaves (white women) were raped and strangled.

Which trials are Typical White Behaviour. In jewish medieval history they are unheard of.
Many records of atrocities were recorded by the victors themselves, like the destruction of the Kimbroz and Teutons by Rome and Noricum.
Ware Jews to blame for the destruction of Troy by Acheans and subjugation of Messene by Dorians?

Tikkun olam (Hebrew: תיקון עולם (literally, “repair of the world”, alternatively, “construction for eternity”) is a concept in Judaism, interpreted in Orthodox Judaism as the prospect of overcoming all forms of idolatry, and by other Jewish denominations as an aspiration to behave and act constructively and beneficially.

The Roman historian Trogus Pompeius wrote about king Oroles punishing his soldiers into sleeping at their wives' feet and doing the household chores, because of their initial failure in defeating the invaders.

Yes, let's attack Christianity, the one religion the Jews hate the most, especially today. While our Media today, is talking about a Christian Baker not cooking a queer cake, and how “appalling” that is, Renegade puts out another hit piece of Christianity. Is there anything you guys do like? Or is it 100% hate everyday? Surprised you guys like animals.

They jewish media pretends to “attack” Trump as well. Yet they never actually dig up the real dirt. The same is true of Christianity. Judeo-Christianity has been what enabled them to have Israel. Open your eyes, SHEEP. Realize your good shepherd is selling you to be fleeced and then slaughtered.

A Gentile

Religious Jews hated Christianity historically for being a Jewish heresy. They have never been afraid of its religious claims, they consider it a joke. They have no fear at all of Jesus coming back and giving them what for. What they fear is gentiles, usually white ones, being stirred up against them. Their hatred of Christianity is really hatred of gentiles, especially European ones. They associate it with persecution and with Europeans. The Jews hated pagan Europeans before Christianity existed. Their terms for a pagan in the Talmud are just as bad as anything thrown at Christians. All gentile idolaters deserve death, is one of them. The Jewish apocryphal texts are often apocalyptic bloodbaths where all heathens and pagans are killed and Jews inherit the earth, or promises of such. I do not believe that Jews today hate Christianity so much. It is so useful to them that they could not do without it. Christianity is Judaism for gentiles, it shares the core beliefs and assumptions, it just removes the racial content of Judaism and says that we are all equal as believers. Well, except the Jews, they are more equal. Look at our portrait of early Christianity from our sources. We see a Jewish lead group getting gentile converts and collecting money from them(alarm bells). We see people flocking to this prophet(usually Jewish) or that, as early churches ran on charismatic prophets. People wanting to claim this is somehow a shield from the Jews confuse me. A heterodox Jewish apocalypse cult is a shield?

Jews historically hated Muhammad and Islam too. The writings of rabbis abuse Muhammad and his religion, calling him a possessed madman and a false prophet, a persecutor of Jews. Muhammad said that he would not leave a single Jew in Arabia toward the end of his life. The Sunnah says that one day even the rocks and trees will not allow the Jews to hide from Muslims. Makes you ready to say the Shahada doesn’t it? I mean, Jews saying they hate something makes you go right toward it. Muslims are often very much aware of the Jewish question because they have no filter preventing them from seeing the issue. I have seen this even in the few Muslims I have come into contact with online. The Shahada only takes a few seconds.
