

JEWISH GENOCIDE OF THE WHITE RACE – CASE CLOSED!

Genocide is a term that has been bandied about by politicians and the media whenever it suits their agenda, but what is the exact definition?

According to the Wikipedia page on the Convention on the Prevention and Punishment of the Crime of Genocide (CPPCG), which was adopted by the United Nations General Assembly on 9 December 1948, as General Assembly Resolution 260:

Article 2 of the convention defines genocide as

...any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group, as such:

- (a) Killing members of the group;
- (b) Causing serious bodily or mental harm to members of the group;
- (c) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part;
- (d) Imposing measures intended to prevent births within the group;
- (e) Forcibly transferring children of the group to another group.

Article 3 defines the crimes that can be punished under the convention:

- (a) Genocide;
- (b) Conspiracy to commit genocide;
- (c) Direct and public incitement to commit genocide;
- (d) Attempt to commit genocide;
- (e) Complicity in genocide.

I'm going to take us back to 1922, and ask you this question, have you ever heard of Richard Nikolaus von Coudenhove-Kalergi?

Richard Nikolaus von Coudenhove-Kalergi, was a Mason and President of the Pan-European Union (founded in 1923 and subsequently financed by the Jew, Max Warburg*), who wrote the following passages in his book, "Praktischer Idealismus, (Practical Idealism)"

"The man of the future will be a mongrel. Today's races and classes will disappear owing to the disappearing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its outward appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals."

"What mainly separates the Jews from the average city dwellers is the fact that they are inbred people. Strength of character paired with sharpness of the mind predestinates the Jews in their most excellent specimen to become the leaders of urbane humanity, from the false to the genuine spiritual aristocrats to the protagonists of capitalism as well as of the revolution."

"The main representatives of the corrupt as well as the upright brain aristocracy: of capitalism, journalism and the literate are Jews. The superiority of their spirit predestines them to become a main factor of the future nobility."

*Coudenhove-Kalergi, confirms the Warburg(Rothschild family) financing of the Pan-European Union in his later autobiography in which he states,

"At the beginning of 1924, we received a call from Baron Louis de Rothschild; one of his friends, Max Warburg from Hamburg, had read my book and wanted to get to know us. To my great surprise, Warburg spontaneously offered us 60,000 gold marks, to tide the movement over for its first three years."

"Max Warburg, who was one of the most distinguished and wisest men that I have ever come into contact with, had a principle of financing these movements. He remained sincerely interested in Pan-Europe for his entire life. Max Warburg arranged my 1925 trip to the United States to introduce me to Paul Warburg and financier Bernard Baruch."

The Wikipedia page on Coudenhove-Kalergi conveniently avoids mentioning any Jewish ancestry he may have, so have a look at his picture below and I'll let you be the judge.

Now let's see what has happened since this Coudenhove-Kalergi plan.

In 1945 immediately after the end of World War 2, the first wave of Afro-Caribbean immigrants arrives in Britain on the SS Empire Windrush. This increases exponentially throughout the 1950's and 1960's, upon the pretext that they were needed to work in the medical and transportation industries. This claim of a labour shortage is utter nonsense! Anyone with a basic grasp of economics would realize that employment is governed by supply and demand, therefore if you do not have enough workers in a particular sector, you offer a greater salary, to attract them into it. The fallacy that immigration was needed to fill jobs that British workers did not want to do, is just an excuse to kick off the Coudenhove-Kalergi plan, and provides further evidence that the Second World War was simply a means of culling the whites in order to give the British government the opportunity to replace them with non-whites at the end of the war. (See My Book, The Synagogue Of Satan – Updated, Expanded, and Uncensored, for a chronological history of Jews financing both sides in war [HERE](#))

Furthermore the British population are not given the opportunity to vote on whether or not this immigration should be allowed, even though it would lead to the largest racial transformation of society in Great Britain's history. Indeed there will never be an opportunity for British people to vote on immigration into their country, maybe that is due to the two major political parties, or rather their as yet un-named future controllers, the Labour Friends Of Israel and the Conservative Friends Of Israel, never suggesting it...

A few wise people in the United States were awakening to this Jewish plot when in 1950 the, "Christian Anti-Jewish Party," of Atlanta, Georgia, published a flyer which reads as follows:

"JEWISH LIFE, official organ of the Jewish section of the Communist party, in its June 1950 issue on page 8, states:

"Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enrol the Jewish community in an all-out fight against it. This is paramount in our work in the struggle for negro rights. This is vital to the struggle of the Jewish people for their own security and future."

It has surprised some people to find out that the president of the National Association for the Advancement of Colored People {NAACP} is NOT a Negro BUT the JEW ARTHUR SPINGARN. It is the Jews who are leading the fight to destroy segregation in Atlanta schools.

The NAACP is sponsoring suits all over the country and in the U.S. Supreme Court to break down Racial Segregation and open up our White schools, restaurants, busses and hotels to negroes. All important Jewish organizations are against Segregation and have petitioned Congress for an anti-White FEPC law.

A Jew, Julius Rosenwald, spent \$30 million financing organizations and writers that promote mongrelization. A race once mongrelized is mongrelized forever.

America must awaken to the Jew attack against White People!

For more information on the Jew manace to the White Race write:

Christian Anti-Jewish Party, P.O.Box 48, Atlanta GA."

Their warning went unheeded and thus their fears became reality.

Let's go forward to 1965, where again in the U.S.A the Immigration and Nationality Act of 1965 is passed. The purpose of this law is to open the floodgates to African and Asian immigrants who were prevented entry under the previous National Origins legislation which restricted immigration on the basis of the existing racial demographic. An example of the way National Origins legislation worked is say if in 1960 the American population consisted of 25% German Americans, then Germans could account for no more than 25% of the American Immigration quota for that year, thus ensuring there would be no racial or cultural transformation of the country. Don't be fooled by the Jewish controlled media talking heads of today telling you America is a, "Nation Of Immigrants," when it was in actuality a nation of White immigrants who from 1607 all the way up to 1965, kept it that way.

Fighting for the imposition of this Act bestowed on the White American people, is the Jewish Senator Jacob Javits, who wrote an article entitled, "Let's Open The Gates," proposing immigration levels of 500,000 a year for 20 years with no regard for national origin.

In the years prior to the passing of this Act, several organizations lobbied the Senate Subcommittee in support of open immigration. The names of these organizations? The American Jewish Congress, The Jewish Federation, the ACLU, and the B'nai B'rith...

This Act was also known as the Hart-Celler Act, taken from the names of its' sponsors, Congressman Emanuel Celler (Jewish) and Philip A. Hart (not Jewish), although he worked closely with a group called the American Immigration and Citizenship Conference in an effort to get the 1965 Act passed. That Conference included 12 Jewish groups alongside the heavily-Jewish ACLU.

So, in other words, before this Act was passed immigration into the United States was almost exclusively white, yet after its' passing immigration has become almost exclusively non-white. This Act was purely and simply Communist legislation designed to destroy a Republic.

Now go back to the beginning of this Article and read Article 2 and 3 of the United Nations convention on Genocide and ask yourselves if the Jews behind the 1965 Immigration Act, "committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group?"

Let's take a trip back across the pond to Great Britain now, where in 1965 (the same year as the United States Immigration Act – just a coincidence, nothing to worry about), the Jewish Home Secretary, Frank Soskice, passed into law the, "Race Relations Act," which incidentally was drafted by, "The Board Of Deputies Of British Jews." This led to the, "Commission For Racial Equality," which led to the so-called, "hate-laws," which were designed to prevent native white Britons from speaking out against the constant flood of immigration transforming the white nation their ancestors created into a nation devoid of national or racial identity.

Do you think the Jews behind these calculated moves in destroying the racial hegemony of both the United States and England, were following any principles in this 1948 quote from, David Petegorsky, the Director of the, "American Jewish Congress," in which he stated,

"Jewish survival can only take place within the framework of a progressive and expanding democratic society, which through its institutions and public policies gives expression to the concept of cultural pluralism."

Again I draw your attention to Article 2 and 3 of the United Nations convention on Genocide and ask yourselves if the Jews behind the Race Relations Act, "committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group?"

Now let's jump forward to more recent times, the year 2008 in fact, when in October the newly established European Council on Tolerance and Reconciliation (ECTR) held its inaugural meeting in Paris, where co-chair, the former Jewish President of Poland (1995 – 2005), Aleksander Kwasniewski stated,

"Integration will be one of our most important focuses. But both sides must participate in this process. The host country must learn to embrace multiculturalism. But the immigrants must realize that they must learn the language of the host country and respect its customs."

Article 2 and 3, anyone?

Moving onto 2010 when Barbara Lerner Spectre, a Jewess who founded, Paideia – The European Institute for Jewish Studies in Sweden, reveals Jewish plans to mongrelize the white nations in an interview with IBA-News in which she states,

"I think there's a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural, and I think we're gonna be part of the throes of that transformation, which must take place. Europe has not yet learned how to be multicultural. Europe is not going to be the monolithic societies that they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode, and Jews will be resented because of our leading role. But without that leading role, and without that transformation, Europe will not survive."

You can watch the YouTube presentation in which she makes this statement here

What she appears to be implying in a rather sinister manner, is if white nations do not accept the influx of immigrants thrust onto them by Jews, the Jews will not allow those nations to exist.

In 2014, the Jewish Deputy Director for The Norwegian Centre Against Racism, Ervin Kohn states proudly, “the Norwegian societies have a very short history with ethnic minorities at a scale, so there is a job to be done!”

You can watch the YouTube presentation in which he makes this statement here

See how the Jews are now targeting Scandinavia as it is the last group of nations in Europe to have a predominantly white population. Indeed even the mainstream media have admitted that where I live in London, England, whites are now in the minority, evidence you can find in the YouTube below.

Going back to Barbara Lerner Spectre and Ervin Kohn, do you think their statements breach Article 2 and 3 of the United Nations convention on Genocide, and could these two Jews plans be deemed, “committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group?”

I now want to move onto the media. In 2006 www.themediachannel.org produced a chart showing the Jewish control behind the six

largest media companies in the world. These companies are: Vivendi Universal; AOL Time Warner; Disney; News Corporation; Viacom; and Bertelsmann AG.

As you can see these Jews control literally thousands of newspaper and television media outlets between them, which they frequently use to promote diversity, which many commentators on the internet have recently pointed out is a codeword for white genocide. I beg to differ, it is actually a codeword for, "Jewish Genocide of the White Race," which is evident when you study the ethnicity of the players behind it. Ask yourself this question folks, diversity is only promoted in the white nations. Have you ever heard diversity promoted in China, India, or Africa, because they have a too dominant Chinese, Indian or African population? Absolutely NOT! Now ask yourself why and you can only come to one conclusion.

The sole purpose of the media is to spread propaganda designed to implement the final stage of the Coudenhove-Kalergi plan, which is purely and simply the assimilation of the white race and the non-white immigrants that will eventually lead to the extinction of the white race. Ask yourself these questions:

- How many mixed race couples do you see in advertising, television and film these days?
- How many non-whites do you see as newsreaders or reporters on news channels? Are they strategically placed there to suggest that they are the intelligentsia?
- How many times do you see the white man represented in films, television, or advertising as feeble, weak, and stupid, a nerd if you will, and the black man represented as someone noble and strong that the white woman needs to depend on?
- How many strong white men do you see in the music industry, or are they largely metro-sexual types, whilst black rappers are presented as the cornerstone of masculinity?
- How many news stories do you see describing an unsolved robbery, rape, or murder, and how often do they describe the suspect as

non-white even though the authorities know they are, which is confirmed by a follow-up story of them being arrested and charged. Also note the follow up story is never given as much predominance when they are compelled to tell you that the offender is non-white.

How many times have you seen the media reporting acts or accusations of racism as their top story, above other more relevant stories of war, murder, and the economy?

How many times do you see anti-racism campaigns promoted in sports?

How many times do you hear the term, "hate," or, "racist," applied to people who vent justifiable verbal anger at the racial changes being enforced on their countries by a Jewish controlled totalitarian government? And as for the term, "hate crime," being applied to these people who speak out under the false assumption that their, "so-called," democratic societies allow them free speech, surely the true hate-crimes are being perpetrated by the Jews who endeavour to destroy the cultural and racial structure of their communities?

AND HOW MANY TIMES DID YOU SEE THIS TWENTY YEARS AGO?

Why is immigration supported by whatever political party is in power in whatever white nation, and why in the last few years is it being undertaken at breakneck speed?

With regard to political parties, look at their stance on immigration. A so-called mainstream right wing party will always promise to limit immigration in the run up to an election, but they NEVER, NEVER, NEVER, suggest reversing it and repatriating immigrants to their countries of origin. If they are so patriotic and right wing – WHY WOULD THEY NOT SUGGEST THIS? Indeed the 1965 U.S.A. Immigration Act is now largely defunct because America leaves its borders wide open and through gradualism changes the term, "illegal aliens," to, "illegal immigrants," now we are told they are, "undocumented workers," and should all be given full citizenship even though they have broken the law by entering the U.S.A illegally!

The movers and shakers behind the promotion of immigration almost always seem to include dual American-Israeli citizens that are vastly over-represented in the United States Congress and Senate, indeed official consensus figures state the Jews are only supposed to represent 2% of the American population, yet just look at what percentage of them are in American politics.

Again I refer you back to Article 2 and 3 of the United Nations Convention on the Prevention and Punishment of the Crime of Genocide (CPPCG)

The media have been found to consistently cover up interracial crime to such an extent that in 2013, Colin Flaherty published a book entitled, "White Girl Bleed A Lot: The Return of Racial Violence to America and How the Media Ignore It," which documents over 500 cases of black on white violence in America, along with details of how the national media choose to ignore reporting it.

THIS is FABULOUS!!!

Yeah! And and September looks to be even BETTER!

Now let's move onto Hollywood. Jewish reporter, Joel Stein, bragged in a 2008 Los Angeles Times article entitled, "Who runs Hollywood? C'mon," that all the major studio chiefs were Jewish and he was proud of that fact. As we know Hollywood movies are distributed worldwide, arguably with the purpose of moulding their audiences into a liberal Jewish mindset, and you find the more recent the film, the more likely the mixed race cast of actors, which in turn suggests the normality of race-mixing, leading to its acceptance.

Yet nowhere in mainstream television or film these days will you see evidence of the racist savagery committed on whites by blacks as evidenced in Colin Flaherty's book.

As these stories are sourced from local news, yet never broadcast by national mainstream news, ask yourself why the national

mainstream news media you are offered are only telling you the news they want you to hear?

The percentage of immigrants on benefits in the white nations is higher than the native populations across the board. Do you know why? Every time someone on benefits has another child they get more benefits, and you know who pays for it, YOU DO, in your taxes. So in other words it is in their interests to breed more. Yet if you work for a living it is in your interests to breed less, as you have less money to spend with each child you have, whereas the immigrants have more money to spend with each child they have. The more children they have, the bigger house they get, whilst you will have your children making do with the house you can afford. Are you now waking up to your government's plan to breed more immigrants than the native white population they are supposed to represent?

The population explosions in India, China, South America, and Africa, not to mention the substantially higher birth rates amongst immigrants in white nations as oppose those of the native white populations are phenomenal. But did you know this...

PRIOR TO WORLD WAR ONE THE WHITE RACE ACCOUNTED FOR APPROXIMATELY 30% OF THE WORLD'S POPULATION, DO YOU KNOW WHAT THAT FIGURE IS NOW? APPROXIMATELY 10%, A DECREASE OF AROUND TWO-THIRDS!

If this dramatic reduction happened to any other species of life on this planet there would be an outcry amongst environmental groups. Restricted areas and breeding programs would be set up to reverse the trend. So what happens in the case of the white nations? The immigration into their countries increases at an exponential rate alongside the governmental and media promotion of, "Diversity!"

So let's recap, we have Jewish financial backing of the Coudenhove-Kalergi plan to kill off the white race, Jewish lobbying and execution of the U.S.A Immigration Act and the U.K. Race Relations Act to put the pieces in place to carry out the plan, Jewish ownership of the media that constantly push propaganda promoting race-mixing that executes the plan, and evidence from the mouths of two Jews that they are openly attempting to change the racial make-up of both Sweden and Norway.

Once again I refer you to Article 2 and 3 of the United Nations convention on Genocide and ask yourselves if these Jews, "committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group?"

As I have evidenced above, there is absolutely no doubt that Jews control both White Western governments through political party funding and lobbying groups, and there is absolutely no doubt that the Jewish owned media constantly promote diversity and race-mixing, which is surreptitiously designed to reduce the native white population. If that is not "Jewish Genocide Of The White Race," I don't know what is! CASE CLOSED!
